Dear Unions and Friends,

The Greater Southeastern Massachusetts Labor Council will be holding its annual scholarship program dinner on May 31, 2018. The council annually provides a \$1,000 scholarship for three eligible graduating high school seniors and the Evelyn Moniz scholarship for union members.

We ask for your financial support to help the labor council help students attain their dream of a college education. All proceeds go directly to the scholarship fund and are used to cover the direct costs of the scholarships. UFCW Local 328 will print the Ad Book internally at no cost to the scholarship fund.

Please look over the enclosed AD SOLICITATION with the listing of the rates and ad sizes for advertising in the program booklet. Your contribution to the advertisement program book will help continue to support the scholarship fund.

All ads are due by May 4, 2018.

Yours in Solidarity,

Lisa Lemieux
